

Baileys Harbor Broadband Project Workshop Series

Based on many requests received, we are now offering a remote viewing option for each of the workshops. Please see the information below for links to each of the upcoming sessions.

A series of workshops to help residents learn more about the Baileys Harbor Broadband Project and its value to residents and businesses is scheduled for this winter. The workshops are co-sponsored by the Town, Baileys Harbor Community Association, the Library and Cellcom/Nsight. Baileys Harbor Broadband Ad Hoc Committee members and other subject matter experts - including Cellcom/Nsight - will be present and available to answer any questions you may have about the project. All of the sessions will be held on Wednesdays between 9:00 and 10:00 am in the Town Hall and Library.

January 25 - Overview of the project and how the new network can help you

February 1 - How to watch TV and movies and make phone calls using the Internet

February 8 - Telehealth/medical resources and Library resources

February 15 - What the installation process involves and Keeping safe online

February 22 - Making the Internet affordable for you

March 1 - Financial/banking and other government services

Registration is not required. If you have any questions please contact Kurt Kiefer (kkiefer18@gmail.com) or Sam Nelson (samuel.holliday.nelson@gmail.com).
